## About Us!

Maurice Ragot, Owner/President of A Classic Touch Painting, is originally from Long Island, NY where he worked his way through high school doing home improvements (painting, installing siding, soffit & fascia, carpentry, etc.). Maurice came to Daytona to attend Embry-Riddle Aeronautical University. He graduated Embry-Riddle in 1994 and worked as an Avionics Technician at Daytona Beach Jet Center from 1994-2001. Maurice began his local painting and home improvements business in 2001. He has been providing skilled home improvements and painting services since 1987.

Here at A Classic Touch Painting, we specialize in custom residential repaints, Epoxy Floors and commercial services from interior to exterior and everything in between, including a wide spectrum of carpentry and remodel services. Our teams can staff any size job and we can handle all of your specialty and routine maintenance needs.

A Classic Touch Painting is family owned and operated. We are fully licensed & insured and we carry a long list of certifications, qualifications, and awards. We run non-smoking crews and we do full background checks, along with drug testing on all of our employees.

A Classic Touch Painting's Professionalism is the key to our success. Our focus is to give every customer thorough estimates, color consultation, superior site preparation, a neat and clean work environment from start to finish, honest prices, and product and workmanship guarantees. We have interior and exterior knowledge and expertise in residential and commercial applications. The products and materials we use will be of the highest quality and will bring your dream to a reality and protect and restore the surfaces they cover. Our Reputation, experience, and dedication keep our customers happy and our image strong.

Our mission is to provide you with the best workmanship, materials, preparation and finish in a timely fashion. Neat, Clean, Courteous, and Professional Service from Start to Finish with your Budget in Mind.

## Epoxy Floors

*We are dedicated to providing the highest quality of flooring!*

Our floor specialists have been skillfully trained to make your floor look beautiful and provide a long lasting finish. From a front porch entry way to a 5000 sq ft hangar; no scope is too large or too small.

The key to a successful job is the proper preparation of the floor. Profiling using commercial grade equipment, the team can bring most concrete floors to life.

Our Epoxy is a best in class product with excellent wicking properties to dive down deep into the concrete surface for maximum adhesion.

There are many available flake blend colors to choose from. From standard ¼" to 1" sizes and also new Brindle Flake which has the appearance of granite or stone when applied. We also install Metallic Epoxy which resemble a showroom finish that offer a modern, upscale seamless floor that will surely set your project apart from others.

### Advantages to an epoxy finish:

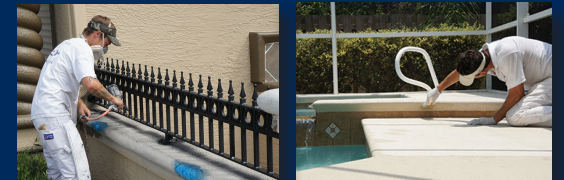

- ❖ Hot tire resistant
- ❖ No more concrete dusting
- ❖ Easy to clean
- ❖ Tough and Durable
- ❖ Chemical resistant
- ❖ Compliments any decor

### Thinking of giving your garage a complete overhaul?

With a variety of styles and colors, our cabinets are of industrial quality that will enhance your space into the garage of your dreams!
